

## **REMARKS**

Applicant respectfully requests reconsideration and allowance of the subject application. Claims 1-21, 39-45 and 55-76 were previously canceled, claims 22-24, 33 and 46-92 are presently canceled without prejudice and claims 25-32, 34-38 and 101 are amended. Claims 25-32, 34-38 and 93-107 are pending in this application. Reconsideration is requested in view of the amendments and the remarks to follow.

### **Allowable subject matter.**

The Office Action states (summary; page 2, item 4) that claim 35 is objected to. The Office Action further states (p. 2, item 4) that claim 35 would be allowable if rewritten in independent form to include the recitation of the base claim and any intervening claims. Claim 35, as rewritten, includes such recitation and thus is allowable. Claims 25-32, 34 and 36-38, as amended, depend from claim 35 and thus also are allowable over the art of record. No new matter is added by these amendments.

Claim 101 has been amended to address a minor informality noted during review to depend from an allowed claim and thus is also allowable. The amendment to claim 101 is not intended to alter the scope of the claims.

Claims 92-100 and 102-107 are stated to be allowed. As such, claims 25-32, 34-38 and 92-107 are pending and are allowable.

**In the Drawing.**

Fig. 4 has been amended to delete a redundant label that was inadvertently included, in an erroneous form, in the drawings as filed. No new matter is added by the amendment to the drawing.

**35 U.S.C. § 103**

Claims 22-34, 36-38, 46-54, 77-92 and 101 stand rejected under 35 U.S.C. §103(a) as being unpatentable over Intel Internet Presentation Software, "5 Pages of Frequently Asked Questions About RealPresenter" (hereinafter "RP"). Claims 22, 23, 33, 46-54 and 77-92 have been canceled and claims 25-32, 34-38 and 101 have been amended to place them in allowable form. Accordingly, the rejection is moot.

**Conclusion**

Applicant respectfully requests allowance of the subject application. Should any matter in this case remain unresolved, the undersigned attorney respectfully requests a telephone conference with the Examiner to resolve any such outstanding matter.
